SPECIAL RESOLUTION #1 – Liability Insurance Bylaw

WHEREAS Owners who are rental accommodation providers have a much higher risk of liability claims from rental clients, as exhibited by a recent accident to a guest, the Strata Corporation feels there is undue risk being imposed on those Owners who do not rent their units on a regular basis, thereby exposing the Strata Corporation's Liability Policy to a much higher loss potential than normal Owner usage.

BE IT RESOLVED that Owners who rent their units "rental accommodation unit providers", must purchase Liability Insurance in a minimum amount of \$5,000,000.00 specifically in the name of the Owner, and/or the operating company providing the rental accommodations, with a copy of the Insurance Certificate being provided to the Strata Corporation by no later than April 1, 2011.

SPECIAL RESOLUTION #3 – Transfer of Special Resolution funds to Contingency Fund

WHEREAS the Strata Corporation affected by way of a Special Assessment of \$12,000.00 to fund repairs to the building's structural components, after payment of \$5,815.35 and other repair payments for work in progress, with the balance thereafter to be transferred to the Contingency Fund.

BE IT RESOLVED that the balance, after the payment of \$5,815.35 and for the payment of repair work presently under way, be transferred to the Strata Corporation's Contingency Fund.

SPECIAL RESOLUTION #2 - VOTING

WHEREAS the Strata Property Act of B.C. under section 53 (2) provides that a Strata Corporation may, by By-Law, provide that the vote for a Strata Lot may not be exercised if the Strata Corporation is entitled to register a Lien against that Strata Lot under section 116;

BE IT RESOLVED THAT a vote for a Strata Lot may not be exercised, except on matters requiring a unanimous vote, if the Strata Corporation is entitled to register a Lien against that Strata Lot under section 116 of the Strata Property Act.

SPECIAL RESOLUTION #3 - ELIGIBILITY FOR COUNCIL

WHEREAS the Strata Property Act of B.C. under section 28 (3) provides that a Strata Corporation may, by By-Law, provide that no person may stand for Council or continue to be on Council if the Strata Corporation is entitled to register a Lien against that Strata Lot;

BE IT RESOLVED THAT no person may stand for Council or continue to be on Council with respect to a Strata Lot if the Strata Corporation is entitled to register a Lien against that Strata Lot under section 116 (1) of the Strata Property Act.

Discussion

- In response to the question how the \$100 per square foot figure was achieved, the Chair explained that it was a figure, which seemed fair between the amount having been offered by the purchaser and the estimated replacement construction cost.
- In response to the question as to the size of the space, the Chair responded that it had been measured at approximately 7 feet by 11 feet.
- A suggestion was made that it should be sold to the purchaser for the market price of the adjacent Strata Lot 23, this being \$154.00 per square foot.

Upon the vote being taken, one person abstained (the proposed purchaser), there were no opposing votes with the remaining 19.25 votes in favour of the Special Resolution #1.

SPECIAL RESOLUTION #2

The Chair read the Resolution as follows:

SPECIAL RESOLUTION #2 - VOTING

WHEREAS the Strata Property Act of B.C. under section 53 (2) provides that a Strata Corporation may, by By-Law, provide that the vote for a Strata Lot may not be exercised if the Strata Corporation is entitled to register a Lien against that Strata Lot under section 116;

BE IT RESOLVED THAT a vote for a Strata Lot may not be exercised, except on matters requiring a unanimous vote, if the Strata Corporation is entitled to register a Lien against that Strata Lot under section 116 of the Strata Property Act.

A Motion was made by Karin McIntosh and seconded by Jason Priestley that the Special Resolution #2 be approved as having been read.

Discussion

- The Chair explained that the Strata Property Act provides that a Strata Corporation can, by way of a By-Law, allow a Strata Lot vote not to be exercised, if the Strata Corporation is entitled to Register a Lien against a Strata Lot, a Lien can be Registered if the Strata Lot has failed to pay the Strata Corporation, Strata fees, Special Levies and other amounts as provided for under section 116 of the Act. The Condominium Home Owners Association recommends, and most Strata Corporations in B.C. have such a By-Law, as it would not be fair for those who have not contributed towards operating expenses, to have a vote as to how the Strata's funds may or may not be expended.
- There was counter argument from several of the Owners that there were extenuating circumstances, as it appeared that the square footages having been measured as "habitable area" for the purposes of the Strata Plan filed at the Land Titles Office may not agree with the actual as built amounts.

The square footage is used for calculating the Unit Entitlements, which under the Strata Property Act, are used to calculate the Strata Fee contributions, attributes to each Strata Lot. These Owners felt very strongly that the Strata Plan needs to be re-surveyed, confirm accurate square footages and if found to be different to be used to recalculate the Unit Entitlements reflecting what the Owners felt were correct Strata Fees, not Strata Fees presently being charged.

Upon the vote being called, there was a miscount, as it did not add up to the 19.61 votes present. Upon the vote being taken again, there were 13.61 votes in favour and 6 votes opposed the Resolution, therefore Special Resolution #2 was passed.

SPECIAL RESOLUTION #3

The Chair read the resolution as follows:

SPECIAL RESOLUTION #3 - ELIGIBILITY FOR COUNCIL

WHEREAS the Strata Property Act of B.C. under section 28 (3) provides that a Strata Corporation may, by By-Law, provide that no person may stand for Council or continue to be on Council if the Strata Corporation is entitled to register a Lien against that Strata Lot;

BE IT RESOLVED THAT no person may stand for Council or continue to be on Council with respect to a Strata Lot if the Strata Corporation is entitled to register a Lien against that Strata Lot under section 116 (1) of the Strata Property Act.

A Motion was made by Jason Priestley and seconded by Karin McIntosh that Special Resolution #3 as having been read, be approved.

Discussion

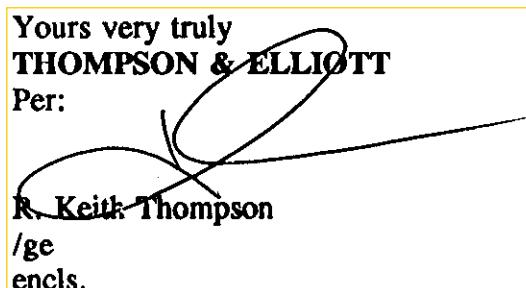

- In response to a question as to when this Resolution would take effect if passed, it was responded that as per the Act when filed at the Land Titles Office. This must be done within 60 days from the vote having been taken place at a General Meeting.
- One of the Owners felt very strongly that, due to the extenuating circumstances where Strata Fees appeared to be based upon square footages which did not seem to match habitable area, it was not fair to disallow those Owners who are not making payment of Strata Fees from participating in the Strata Council.

Counter arguments were expressed that if Owners were not making Strata Fee payments, in effect, not contributing towards any of the expenses of the Strata, it is not fair for those Owners to be making decisions on behalf of the Strata Corporation as to how the funds are spent, funds which are being paid by other Owners.

Upon the vote being taken, there were 13.61 votes in favour and 6 votes opposed, therefore Special Resolution #3 was approved.

- (2) Any infraction or violation of any rules and regulations established by a separate section pursuant to these bylaws on the part of an owner, his employees, agents, invitees or tenants may be corrected, remedied, or cured by the separate section, and any costs or expenses expended or incurred by the separate section in correcting, remedying, or curing such infraction or violation, shall be charged to that owner and shall be added to and become a part of the assessment of that owner for the next month following the date on which the costs or expenses are extended or incurred, but not necessarily paid, by the separate section and shall become due and payable by the owner to the executive on the date of payment of the monthly assessment.

COMMON EXPENSES

19 (1) "Common Expenses" means the total of all expenses incurred or to be incurred by the strata corporation in controlling, managing and administering, operating, repairing, maintaining and replacing the common property, common facilities and other assets of the strata corporation and in discharging all obligations of the strata corporation under the Condominium Act and the bylaws of the strata corporation including, without limiting the generality of the foregoing, the cost of repairs, maintenance and replacement, premiums on insurance policies, landscaping and gardening costs, snow removal, lighting costs, parking lot cleaning, wages, legal and accounting fees, management fees, rental costs, maintenance service and contingency reserve for unusual or extraordinary future expenses whether of a capital nature or not.

- (2) The strata lot owners' contributions to the common expenses of the strata corporation shall be levied in accordance with this bylaw.
- (3) The contribution by any owner of a strata lot within a separate section to the expenses common to that separate section shall be levied in accordance with this bylaw.
- (4) Common expenses shall be apportioned between the Dwelling Units and the Commercial Section and to individual strata lots in the following manner:

- (a) common expenses attributable to either separate section shall be allocated to that separate section and, subject to subsection 19(11), shall be borne by the owners of the strata lots within that separate section in the proportion that the unit entitlement of such strata lot bears to the aggregate unit entitlement of all strata lots within that separate section; and
 - (b) common expenses not attributable to either separate section shall be allocated to all strata lots and shall be borne by the owners in proportion to the unit entitlement of their strata lot or as otherwise set out in the current budget of the strata corporation.
- (5) Without limiting the generality of subsection (4) and unless otherwise determined by the executives of each of the Dwelling Units and the Commercial Section, acting reasonably, the following common expenses shall be allocated between the separate sections as follows:
- (a) expenses relating to the common areas in each separate section (such as recreation rooms, storage areas, entrances, lobbies, utility rooms and other common areas in each area) will be for the account of the owners of strata lots in each respective section;
 - (b) the Lobby Check In Lease will be maintained by the strata corporation but the cost of such lease will be the responsibility of the Dwelling Units; and
 - (c) the cost of maintaining the landscaped and other outdoor areas within the common property will be apportioned between the two sections on the basis of the total unit entitlement of the strata lots in each section.
- (6) Where the strata plan includes limited common property, expenses attributable to the limited common property which would not have been expended if the area had not been designated as limited common property shall be borne in proportion to the unit entitlement of their strata lots by the owners of the strata lots entitled to use the limited common property.
- (7) The owner-developer shall cause to be prepared interim budgets of anticipated common expenses for each section for the first 12 month period following registration of the strata plan which allocates common expenses between the separate sections, and the budget shall be distributed to each purchaser. - (8) For the period from the date on which the strata plan is registered until the earlier of the date on which the first strata lot is occupied, or the date on which the first strata lot is

conveyed to a purchaser, the owner-developer shall pay the actual common expenses.

- (9) For the period from the earlier of the date on which the first strata lot is occupied, or the date on which the first strata lot is conveyed to a purchaser until the first annual budget is approved by the first annual general meeting, the owners, including the owner-developer, shall pay to the strata corporation their proportionate share of the estimated monthly common expenses in accordance with the budget prepared under subsection (7).
- (10) If the actual common expenses during the period referred to in subsection 98) exceed the estimated common expenses for that period, the owner-developer shall pay the excess.
- (11) Common expenses attributable to a separate section shall be apportioned by the executive of that separate section in the following manner:
 - (a) Common expenses except electricity shall be allocated to all strata lots in the separate section and shall be borne by the owners in that section in the proportion that the unit entitlement of each such strata lot bears to the aggregate unit entitlement of all strata lots in that section or as otherwise set out in the current budget of that separate section.
 - (b) The cost of each owner of a strata lot of the electrical power supplied to it if not separately metered for that strata lot shall be borne by the owners in proportion that the unit entitlement of their strata lot bears to the aggregate unit entitlement of all strata lots in that section.
- (12) At the first annual general meeting, the strata corporation shall cause to be prepared a budget for a period commencing on the date of the first annual general meeting and ending on the first anniversary of the last day of the month during which the first annual general meeting is held. Such annual budget shall allocate common expenses as between the separate sections of the strata corporation. After that, all owners, including the owner-developer, shall, subject to subsection (4), pay a monthly assessment based on that budget determined in accordance with their unit entitlements.
- (13) Where, at the first annual general meeting, the budget shows that the estimated common expenses as shown on the interim budget exceeded the actual common expenses, the owners, including the owner-developer, shall receive from the strata corporation a rebate of their contribution to the common expenses, based on the unit entitlement of the strata lots for which their contribution was paid, and the period of time during which their contribution was paid.
- (14) At each annual general meeting subsequent to the first annual general meeting, the strata corporation shall prepare an annual budget for the following 12 month period and, after that, all owners shall, subject to this bylaw, pay a monthly assessment in accordance with their unit entitlement.

- (3) A poll, if demanded, shall be taken in whatever manner the chairman thinks proper, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was requested.

- (8) An owner who is a trustee is entitled to exercise the vote for the strata lot in respect of which he is trustee. The persons beneficially interested may not vote.

PROXIES

- 17 (1) An instrument appointing a proxy shall be in writing signed by the appointer or his attorney, and may be either general or for a particular meeting.
- (2) A proxy need not be an owner.

The mortgagee shall indicate his presence at the calling of the roll and he, rather than the owner, shall be issued a voting card.

VIOLATION OF BYLAWS

- 18 (1) An infraction or violation of these bylaws or any rules and regulations established under them on the part of an owner, his employees, agents, invitees or tenants may be corrected, remedied or cured by the strata corporation. Any cost or expense so incurred

by the strata corporation shall be charged to that owner and shall be added to and become a part of the assessment of that owner for the month next following the date on which the costs or expenses are incurred but not necessarily paid by the strata corporation, and shall become immediately due and payable by the owner to the strata corporation on the date of the monthly assessment.

- (2) Any infraction or violation of any rules and regulations established by a separate section pursuant to these bylaws on the part of an owner, his employees, agents, invitees or tenants may be corrected, remedied, or cured by the separate section, and any costs or expenses expended or incurred by the separate section in correcting, remedying, or curing such infraction or violation, shall be charged to that owner and shall be added to and become a part of the assessment of that owner for the next month following the date on which the costs or expenses are extended or incurred, but not necessarily paid, by the separate section and shall become due and payable by the owner to the executive on the date of payment of the monthly assessment.
- (3) The strata corporation or executive of a separate section, as the case may be, may recover from an owner by an action for debt in a court of competent jurisdiction money which the strata corporation or the separate section is required to expend as a result of an act or omission by the owner, his employees, agents, invitees or tenants, or an infraction or violation of these bylaws or any rules or regulations established under them.

COMMON EXPENSES

19 (1) "Common Expenses" means the total of all expenses incurred or to be incurred by the strata corporation in controlling, managing and administering, operating, repairing, maintaining and replacing the common property, common facilities and other assets of the strata corporation and in discharging all obligations of the strata corporation under the Condominium Act and the bylaws of the strata corporation including, without limiting the generality of the foregoing, the cost of repairs, maintenance and replacement, premiums on insurance policies, landscaping and gardening costs, snow removal, lighting costs, parking lot cleaning, wages, legal and accounting fees, management fees, rental costs, maintenance service and contingency reserve for unusual or extraordinary future expenses whether of a capital nature or not.

- (2) The strata lot owners' contributions to the common expenses of the strata corporation shall be levied in accordance with this bylaw.
- (3) The contribution by any owner of a strata lot within a separate section to the expenses common to that separate section shall be levied in accordance with this bylaw.
- (4) Common expenses shall be apportioned between the Dwelling Units and the Commercial Section and to individual strata lots in the following manner:

- (a) common expenses attributable to either separate section shall be allocated to that separate section and, subject to subsection 19(11), shall be borne by the owners of the strata lots within that separate section in the proportion that the unit entitlement of such strata lot bears to the aggregate unit entitlement of all strata lots within that separate section; and
 - (b) common expenses not attributable to either separate section shall be allocated to all strata lots and shall be borne by the owners in proportion to the unit entitlement of their strata lot or as otherwise set out in the current budget of the strata corporation.
- (5) Without limiting the generality of subsection (4) and unless otherwise determined by the executives of each of the Dwelling Units and the Commercial Section, acting reasonably, the following common expenses shall be allocated between the separate sections as follows:
- (a) expenses relating to the common areas in each separate section (such as recreation rooms, storage areas, entrances, lobbies, utility rooms and other common areas in each area) will be for the account of the owners of strata lots in each respective section;
 - (b) the Lobby Check In Lease will be maintained by the strata corporation but the cost of such lease will be the responsibility of the Dwelling Units; and
 - (c) the cost of maintaining the landscaped and other outdoor areas within the common property will be apportioned between the two sections on the basis of the total unit entitlement of the strata lots in each section.
- (6) Where the strata plan includes limited common property, expenses attributable to the limited common property which would not have been expended if the area had not been designated as limited common property shall be borne in proportion to the unit entitlement of their strata lots by the owners of the strata lots entitled to use the limited common property.
- (7) The owner-developer shall cause to be prepared interim budgets of anticipated common expenses for each section for the first 12 month period following registration of the strata plan which allocates common expenses between the separate sections, and the budget shall be distributed to each purchaser. The estimated interim budget for each section for the first nine months following the deposit of the strata plan, as required by subsection 128(4) of the Condominium Act, can be calculated by multiplying each annual budget by 9/12.
- (8) For the period from the date on which the strata plan is registered until the earlier of the date on which the first strata lot is occupied, or the date on which the first strata lot is

conveyed to a purchaser, the owner-developer shall pay the actual common expenses.

- (9) For the period from the earlier of the date on which the first strata lot is occupied, or the date on which the first strata lot is conveyed to a purchaser until the first annual budget is approved by the first annual general meeting, the owners, including the owner-developer, shall pay to the strata corporation their proportionate share of the estimated monthly common expenses in accordance with the budget prepared under subsection (7).
- (10) If the actual common expenses during the period referred to in subsection 98) exceed the estimated common expenses for that period, the owner-developer shall pay the excess.
- (11) Common expenses attributable to a separate section shall be apportioned by the executive of that separate section in the following manner:
 - (a) Common expenses except electricity shall be allocated to all strata lots in the separate section and shall be borne by the owners in that section in the proportion that the unit entitlement of each such strata lot bears to the aggregate unit entitlement of all strata lots in that section or as otherwise set out in the current budget of that separate section.
 - (b) The cost of each owner of a strata lot of the electrical power supplied to it if not separately metered for that strata lot shall be borne by the owners in proportion that the unit entitlement of their strata lot bears to the aggregate unit entitlement of all strata lots in that section.
- (12) At the first annual general meeting, the strata corporation shall cause to be prepared a budget for a period commencing on the date of the first annual general meeting and ending on the first anniversary of the last day of the month during which the first annual general meeting is held. Such annual budget shall allocate common expenses as between the separate sections of the strata corporation. After that, all owners, including the owner-developer, shall, subject to subsection (4), pay a monthly assessment based on that budget determined in accordance with their unit entitlements.
- (13) Where, at the first annual general meeting, the budget shows that the estimated common expenses as shown on the interim budget exceeded the actual common expenses, the owners, including the owner-developer, shall receive from the strata corporation a rebate of their contribution to the common expenses, based on the unit entitlement of the strata lots for which their contribution was paid, and the period of time during which their contribution was paid.
- (14) At each annual general meeting subsequent to the first annual general meeting, the strata corporation shall prepare an annual budget for the following 12 month period and, after that, all owners shall, subject to this bylaw, pay a monthly assessment in accordance with their unit entitlement.

NOTICES

- 20 (1) Unless otherwise specifically stated in these bylaws, delivery of any notice required to be given under the Condominium Act or under these bylaws shall be well and sufficiently given if mailed to the owner at the address of his strata lot, or at another address specified by the owner, and if left with him or some adult person at that address.
- (2) A notice given by post shall be deemed to have been given 48 hours after it is posted.
- (3) An owner may at any time in writing advise the strata corporation of a change in address at which notice shall be given, and thereafter the address specified shall be deemed to be the address of the owner for the giving of notices.
- (4) The word "notice" shall include any request, statement or other writing required or permitted to be given by the strata corporation or the executive of a separate section to the owner of the strata lot.

CORPORATE COMMON SEAL

21. The strata corporation shall have a common seal, which shall not be used except by authority of the council previously given and in the presence of the members of the strata council or at least one member of it, who shall sign every instrument to which the seal is affixed. Where there is only one member of the strata corporation, his signature is sufficient for the purpose of this section and, if the only member is a corporation, the signature of its appointed representative on the strata council shall be sufficient for the purpose of this section.

PROHIBITIONS

- 22 (1) An owner shall not:
- (a) use his strata lot for any purpose which may be illegal or injurious to the reputation of the building or which breaches any applicable municipal laws, regulations or other applicable restrictions;

decorations, subtractions from, rearrangements of and subdivisions (collectively called the "Alterations") of the interior of such strata lots which they in their sole discretion may consider necessary or desirable, but which do not affect any structural or supporting members of the building, including, without limiting the generality of the foregoing but subject to these bylaws, the right to use the same for whatever lawful purpose or purposes which such owners deem necessary or desirable, so long as the owner of the strata lot in question shall not interfere with the other strata lot owners more than is reasonably necessary in the conduct of such Alterations.

- (2) When the purpose for which a strata lot is intended to be used is shown expressly or by necessary implication on or by the registered strata plan, an owner shall not use his strata lot for any other purpose, or permit it to be so used.

PROMOTION

23. During the time that the owner-developer of the strata corporation is a first owner of any strata lots, he shall have the right to maintain any strata lot or lots, whether owned or leased by him as a display strata lot, and to carry on sales functions he considers necessary in order to enable him to sell the strata lots.

BUILDING EXTERIOR

24. Notwithstanding anything else in these bylaws, any decision which involves any addition or change to the appearance of the exterior of the building (including, without limitation, the colour, design, quality and proportion of the finishing treatment of the building exterior or any portion of the building exterior) shall require:
- (a) prior approval by special resolution of the strata corporation;
 - (b) prior approval by at least 50% of the owners of strata lots in the Commercial Section present and entitled to vote; and

thereafter the executive of the Commercial Section and (ii) has received approval from Seabridge Construction Limited and any approvals required from any approving authority having jurisdiction. Any signage installed as aforesaid will be maintained in good condition on an ongoing basis and the responsibility for such maintenance will be solely for the account of the commercial strata owner who installs such signage.

USE OF COMMON PROPERTY AND COMMON FACILITIES

26. The Owners acknowledge and agree that the strata lots and certain rights of the owners of the strata lots to the common property and common facilities are the subject of a rental management agreement (the "Optional Rental Management Agreement") between some of the owners and a rental manager (the "Manager") for the mutual benefit of all owners. The Manager shall be entitled to set up and maintain within the common property any works and facilities as are reasonably required by the Manager in connection with the operation of the hotel and the Optional Rental Management Agreement, including, without limitation, a concierge desk and signage, if so desired by the Manager. the Manager shall comply with all governmental and other regulatory statutes, rules, regulations, codes, ordinances and licensing requirements and the Manager shall comply and shall use reasonable efforts to cause its employees, agents, contractors and permittees and the Guests to comply with all bylaws and rules and regulations of the strata corporation, so long as such bylaws and rules and regulations are of general application to all owners and occupiers of the strata lots, do not provide for any fee or other charge whatsoever to be paid by the Manager or the Guests and are generally consistent with and do not conflict with the operation of the development as a condominium hotel in accordance with the standards contemplated in the Optional Rental Management Agreement. The owners agree that all future bylaws and rules and regulations of the strata corporation shall be consistent with the operation of the development as a condominium hotel in accordance with the standards contemplated in the Optional Rental Management Agreement so that they will not impair, interfere with or adversely affect such operation. In addition, the owners agree that they will not do any act or thing and shall cause the strata corporation to refrain from doing any act or thing which may impair, interfere with or limit the ability of the Manager to operate the development as a condominium hotel in accordance with the standards contemplated in the Optional Rental Management Agreement.
